

Shutterbugs

Hey, do you want to learn about photography? You're in the right place! Welcome to Understanding Photography. In this group you will learn to better understand your camera and cell phone. Learn about ISO, aperture (f-stop), shutter speed, white balance, and exposure compensation and the roles they play in the visual world.

***Please bring your cell phone**

When:
Mondays 1-3pm

Where:
Allies Annex
200 E 11th Ave. Suite 130

Instructor
Trey Sydor
541-505-4734
